712	robert mondavi, cabernet sauvignon, napa valley, california the ultimate expression of terroir, hand selected fruit from the finest blocks within our vineyards and handled with the greatest care in our dedicated reserve fermentation cellar, these wines combine elegant complexity with density and structure and demonstrate the "art" of winemaking. The mondavi cabernet reserve is intensely fragrant with aromas of crème de cassis, graphite and notes of lavender and bay. 714	jarvis, cabernet sauvignon, napa valley, california sometimes we just have to pay tribute to the weather gods. after an abundance of rain at the start of the growing season we enjoyed a relatively pleasant but mild summer here in the napa valley. while cooler than normal temperatures delayed bloom, it also provided a longer "hang time" for the grapes with the onset of a beautiful, warm indian summer this nearly perfect weather produced fruit with just the right amount of sugar. our 100% cabernet sauvignon has a deeply intense, ruby red color. after fermentation, an extended	2005	190

period of skin contact moderated the tannins in the wine achieving a smooth approachable character at a early age. this cabernet sauvignon was cave fermented, aged 2 years in new French oak barrels and was bottled unfiltered. this wine has gone through extended cave aging and released when our winemaker felt it was ready for you and your friends to enjoy. best to consume within 10 years

the moscato d' asti is one of the most sublime and delicate of all dessert wines, which it should be consumed at its freshest and most youthful. Its very low level of alcohol makes it particularly light and soft on the palate, and especially gentle for consumption after dinner. the name "nivolet", which means "clouds" in piedmontese dialect, appropriately suggests the wine's airy, elegant quality. the fragrant, intensely fruity bouquet, offset by musky notes, leads to a refined sweetness supported by an excellent acid balance on the palate. the finish is clean and crisp, with a persistent flavor of grape and citrus characteristic of the variety
